More sensational and startling developments are promised in the trial of Jim Hargis for the murder of Dr. S. D. Cox now in progress at Jackson, Ky.

A KENTUCKIAN, General John Weston, is slated to succeed General LEONARD Wood, in command of the Philippine Division of the Army service.

THE dairymen of Cincinnati have cooly notified the health authorities of that city that the price of milk will be raised to 8 cents a quart in winter and 7 cents in summer. Here is another combine that is alive and frisky and openly defies the law by a united plan of the dairymen to raise the price of milk, one of the greatest necessities of the poor people.

Mt. Sterling is to have a \$12,000 pressed brick hospital. Many Kentucky cities are taking steps toward erecting hospitals, and Maysvill should organize a movement looking to the same end. It appears reasonable to us to expect, that, on account of the location of Maysville as an important railroad and river center of travel and traffic, that we should have a great hospital here, costing \$50,000 to \$100,-000 with beautiful and picturesque lawns surrounding it. Study this matter over, physicians and officials, as it may lead to the consummation of one of the most important improvements coming to our modern city. Cannot some lover of humanity start the hospital fund with a \$5,000 or \$10,000 subscription?

JOHNNY'S EASY MONEY.

Johnny's dog, Tige, was a nuisance. His pet theory must have been that all things were created to be dcstroyed—at least, so his practices indicated. Johnny's folks were anxious to be rid of Tige, and at last they decided to work upon the lad's affections with lucre.

"Johnny," said his father one day, "I'll give you five dollars if you'll get rid of that dog."

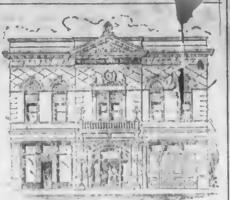

Johnny gasped at the amount, swallowed hard at thought of Tige, and said he would think it over.

The next day at dinner he made the laconic announcement: "Pa, I got rid of Tige."

"Well, I certainly am delighted to hear it," said the father. 'Here's your-money; you've earned it. How did you get rid of the nuisance?"

"Traded him to Bill Simpkins for two yellow pups," answered Johnny.

It is the experience of Arizona farmers that among the birds having good nutritious green feed deaths seldom occur, except as the result of accident. A dog or other small animal will sometimes frighten ostriches and cause them to run into the fence, which may result in a broken leg. After All.

An annusing story is told of a shortsighted but energetic member of the Russian secret rolice. He was walkng through a little frequented street of St. Petersburg one night when he spled, high up on a famp post a placard.

"Aha!" he said to himself, scentling mischief on the instant and alert for action. "That's one of those notices about his majesty the czar! It must come down at once!"

With difficulty, being of a somewhat portly build, he succeeded in elimbing the post and dislodging the placard. Peering at it by the fight of the lamp. he read the Russian equivalent for the well known legend: "Wet paint."

Why Russian Names Are Long.

"I often hear Americans make fun of the long Russlan names," said Dr. George L. Alexis Hamilton, a Russian physician. "Let me tell you why these names are long when spelled out in the English language. It le because you have not enough letters In your alphabet. In Russian there are 36 letters. In translating a proper noun it is often necessary to use three or four English letters to exn'ess the sound of one Russlan letter. so sometimes a name that if written in Russian would be as short as 'Smlth' will be almost an inch long when spelled out in English."

Not Even Sultan Exempt.

On one occasion when the famous Nasr-ed-din was pressed for money he went to the sultan for permission to evy a tax of a penny on every man In Turkey who was afraid of his wife. The sultan gave him leave, and at the end of a few months Nasr-ed-din returned with a hundred mules faden with gold. "lut what am I to get out of all this?" leguired the sultan: " have brought you a beautiful Georgian stave," replied the sage. "Hush!" said the sultan, glancing over his shoulder. "Don't let my wife hear! And the wily Nasr-ed-din Hedja added another penny to his store.

Sight of Eye Destroyed by Disease— Tried Five Doctors but Grew Worse-In Agony Eight Months -Parents Discouraged, Until They Tried Cuticura Remedies

IN ONE WEEK ALL SORES DISAPPEARED

"Our little girl, one year and a half old, was taken with eczema or that was what the doctor said it was. We called in the family doctor and he gave some tablets and said she would be all right in a few days. The eczema grew worse and we called in doctor No. 2. Ho said she was teething, as aoon as tho teeth were through she would be all right. But she still grew worse. Doctor No. 3 said it was eczema. By this time she was nothing but a yellow, greenish aore. Well, he said he could help her, so we let him try it about a week. One morning we discovered a little yellow pimple on one of her eyes. Of course we phoned for doctor No. 3. He came over and looked her over and said that he could not do anything more for her, that we had better take her to some eye specialist, since it was an ulcer. So we went to Oswego to doctor No. 4, and he said the eyesight was gone, but that he could help it. We thought we would try doctor No. 5. We thought we would try doctor No. 5. Well, that proved the same, only he charged \$10 more than doctor No. 4. We were nearly discouraged. I saw one of the Cuticura advertisements in one of the Cuticura advertisements in the paper and thought we would try the Cuticura Treatment, so I went and purchased a set of Cuticura Remedies, which cost me \$1, and in three days our daughter, who had been sick about eight months, showed great improvement, and in one week all sores had disappeared. Of course it could not restore the cycsight, but if we had used Cuticura in time I am confident that it would have saved the eye. We think there is no remedy so good for any skin trouble or impurity of the blood as Cuticura. Mr. and Mrs. Frank Abbott, R. F. D. No. 9. Fulton, Oswego Co., N. Y., August 17, 1906."
